## Dear Group Leader:

Thank you for reserving your field trip with COSI! Before you bring your students to COSI, please take a moment to read the following statement, and sign and date on the lines below. **Bring the signed promise statement with you on the day of your visit and present it to the box office associate at COSI's Group Check-In when you arrive.**

## PROMISE STATEMENT

COSI is a dynamic learning environment open to diverse audiences, including other groups, families, and individuals. We strive to do our best to accommodate a variety of learning styles, including visual, auditory, kinesthetic and sequential learners. My group members are prepared to courteously share this environment with all learners. My group members are prepared for their COSI experience by knowing their schedule and understanding the COSI rules:

- My students must stay with their designated chaperones
- My group must observe the COSI speed limit – walk, don't run
- There is no food or drink allowed in the exhibition areas
- COSI is a gum-free environment
- Smoking is only permitted in designated smoking areas
- COSI is a weapon-free zone

### COSI Code of Conduct

COSI is a participative, hands-on environment. We invite you to use the exhibits actively, but with respect. Disruptive behavior, vandalism, misuse of exhibits or the building is not welcome and will not be tolerated. Guests who present a danger to other guests, or to COSI, will be promptly removed from the premises without warning or refund.

### IMPORTANT Photo Release Information

A COSI photographer may be taking photos for COSI's use in future printed materials, such as brochures, promotions, publicity, etc. If you have students that cannot be photographed for any reason, please inform their group leader to instruct them to avoid the photographer.

I have read and understood the COSI Code of Conduct and Photo Release Information (above). If one of my group members is found to be in violation of the COSI Code of Conduct, COSI reserves the right to remove the entire group from the premises. COSI assumes no responsibility for covering the group's incurred expenses (including transportation and admission to COSI). In addition, the organization's administrator (i.e., school principal, camp director) will be notified of the violation.
