

*Jen Snively*  
*Vice President of Programs*

**Jen Snively, Vice President of Programs**, provides vision and direction for all education programs offered by COSI. Ms. Snively works in cooperation with the Partnerships Division and Advancement Division to identify the most effective ways of promoting STEM and early childhood education through programming at COSI and beyond the walls of COSI at a local, regional and national level.

In 1993, Ms. Snively graduated from Lock Haven University, Lock Haven, Pennsylvania, with a B.S. in Elementary Education. She joined the COSI Team in August of 1994 as an Outreach Demonstrator; in this role she traveled and performed with COSI On Wheels for two years. Since 1996, she has been promoted to a variety of leadership roles within COSI's Outreach Programs.

Ms. Snively is a member of the East High School Academy of Engineering Advisory Board. She is involved with the Jefferson Center for Learning and the Arts, Academy for Leadership and Governance, a Columbus organization involved in training up and coming leaders at non-profit agencies. She is the co-author of a chapter in the NSTA Press monograph 'Exemplary Science in Informal Education Setting, Standards-Based Success Stories', published in 2008.
