## Purchase Birthday Parties, Camps, and Much More!

COSI, a leader in inquiry-driven education experiences, has teamed up with *The Zula Patrol* to provide Zula-themed Camps, Workshops and Birthday Parties. A variety of initial topics are available and customization is always possible. COSI provides the program guidelines and initial set of materials, Zula provides the character recognition, and your facility reaps the reward!

### ✦ **Space-Themed Camps:**

Up to 25 participants, ages 5-11, up to 30 hours of programming

#### **Mission to Planet Zula**

Spend the week with *The Zula Patrol* as you engineer innovative ways to help get the team safely back to Planet Zula! Can you build a rocket powerful enough to send *The Zula Patrol* home?

### ✦ **Space-Themed Workshops:**

Up to 25 participants, ages 5-11, up to 3 hours of programming

#### **Fly Us To The Moon Family Workshop**

Work as a team to design, build, and test three different model rockets with the help of *The Zula Patrol*.

#### **Space Early Childhood Workshop**

Blast off into outer space with this workshop. Explore space and travel the solar system with *The Zula Patrol*!

### ✦ **Space-Themed Programming:**

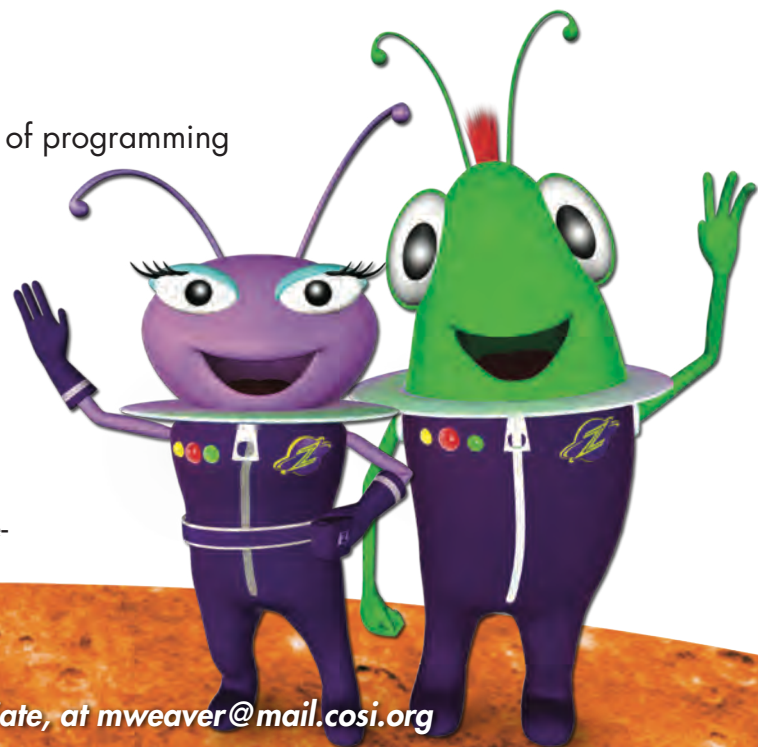

Infinite number of participants, all ages, up to 4 hours of programming

#### **Pajama Party with The Zula Patrol**

Come spend the evening with your favorite members of *The Zula Patrol*. Have a late night snack with Bula, see an exciting show, and experience some out-of-this world activities.

#### **Birthday Parties**

Take a trip to space with *The Zula Patrol*, as we explore rockets! Discover reactions that help rockets launch, the importance of air pressure and how space-crafts return safely to earth.
