

Steve Langsdorf

*Vice President of Experience
COSI Columbus*

Steve Langsdorf has served as Vice President of Experience at COSI since August 2008. Mr. Langsdorf provides creative vision and leadership for the development and implementation of COSI's onsite Guest Experiences, overseeing a dynamic Exhibits, Events, Volunteers, Guest Services, Call Center, Box Office, Facilities and Safety Services team.

Since December of 1994, Mr. Langsdorf has served COSI in various management and technical roles including the Sr. Director of Experience Operations, Director of Exhibit Operations, Supervisor of Research and Development, Exhibit Engineer, Exhibit Technician Supervisor and Exhibit Technician.

Mr. Langsdorf earned a Bachelor of Science in Electronics Engineering Technology from DeVry Institute of Technology, graduating summa cum laude and as a member of the Tau Alpha Pi honor society.
