

## **Amanda Shaw**

Vice President of Administration & Finance

Amanda Shaw was named Vice President of Administration & Finance for COSI in January of 2019. In this role, Amanda is responsible for supporting COSI's mission by ensuring the financial forecasting, planning, and analytical support needed to establish and maintain the financial health of the institution. She also identifies and mitigates, as much as possible, financial risk to the institution.

Prior to her current position, Amanda served as COSI's Senior Director of Finance/Controller for 10 years, keeping constant watch of the financial acumen of the organization. She maintained ground-up budgeting and is experienced in managing banking relationships across a variety of disciplines as well as the daily financial and attendance structure required from her team.

In her 18 years at COSI, Amanda has served in multiple roles within the financial area.

Amanda holds a Bachelor of Science degree in Communication and an Associate's degree in Business Management from Ohio University. She has taken part in the Key4Women Forum, served on the Board of Directors of Edheads, volunteered with the Pickaway County Humane Society, the Logan Elm Parent Board and the Logan Elm Athletic Board of Directors.
